Your comments on the planning application

Reference the above planning application, my husband and I wish to strongly object on the grounds of loss of light caused by the size of the proposed extension as follows:-
The overall size of the extension including the proposed balcony on the first floor, and including the extended height of the proposed vertical fencing.
The inevitable disruption and noise caused by plant equipment, demolition and excavation of proposed additional basement followed by re-building, which by the size of the project would be over prolonged period of time.
