Request for extension of Planning Application 2015/2704/P Central Somers Town

Dear Mr Fowler,

Currently the time limit to reply to the planning application 2015/2704/P is set at the statutory minimum period of 3 weeks and ends 1 February 2016.

The proposed scheme is a Major development with over 7 new buildings, 7 plots, and lots of infrastructure in between and will impact all residents in Somers Town. Given that the application consists of 217 documents and several hundred pages, it takes days to download, read and understand the documents and the implications.

The application is far too complicated to send a valid comment within the statutory period. More time than the statutory minimum period is genuinely required to properly understand the application in full.

We the undersigned live in Somers Town. We ask you to extend the time frame to six weeks.

Thank you for looking into this.

Kind regards,

1) MD ANWARUZZAMAN, 16 WALKER HOUSE NW1 1EN

2) JOHN WOOD 13 Walker House NW1 1EN

3) PAUL TONLINSON, 37 OXENHOLME, HARRINGTON SQUARE, NW1 2J

4) Jeanne Thomas 114 Cooper Lane NW1 1HA

5) SHANEY DEVLIN, 73 CHAMBERLAIN HOUSE, NW1 1EU
