Dear Ms Kristina Smith

PLANNING APPLICATION REFERENCE: 2015/5681/P

I do not support this application for a dog grooming salon at:

Flat B
5 Platt's Lane
London
NW3 7NP

Their rear garden is by the side of 344 Finchley Road, which is behind my bedroom window and bathroom. I can hear their 3 dogs barking in my bedroom and bathroom all the time and this would mean even more noise on a daily basis from the extras dogs on the premises.

I hope you will consider my objection to this application which I feel strongly about.

Kind regards

Margaret Jones
