<i>My enquiry is</i>	<p>Hi</p> <p>I have just received this from Camden Planning Application Ref ; 2015/6681 /P . It was given to me by one of my neighbours from the development behind Middlefield as she was surprised that Camden had not sent one to me.</p> <p>I live in a house in front of the garages so its directly going to be affected. My address is 1, St John's Wood Park NW8 6QS</p> <p>I would like to petition against the proposal to erect three 3 story houses following the demolition of 17 garages on land off Middlefield.</p> <p>As the proposed houses are going to be 3 storeys high it will block the light coming into my house because of the height of the new houses , resulting in loss of light as well as a lack of privacy coming from new neighbours.</p> <p>The noise that will come from the development will be immense as my house is directly in front. I have 2 autistic children that have difficulty with noise and will be impacted greatly with the commotion and noise coming from the construction which will be in front of our living room.</p> <p>The new development will also have an impact on road safety , as well as traffic and parking .</p> <p>Thank You Lorraine Nonoo Thank You</p>
