Dear Seyi,

If there are no changes to the timber fabric of the shopfront and front door and doorcase, except only repairs where necessary, and the only major change is new glass in the panel in the door and new signage and lettering, we are happy to withdraw. If not, our objection stands.

Hi there,

Thank you for sending the revised drawings. I need to get input on these updated proposals from the CGCA's planning committee members, which I will do asap, and try to get comments to you by Friday.

Can you confirm that the revised proposals include a timber door and not a clear glass door?

Best wishes,
Meredith

Dear Ma's

We have received objections from Bloomsbury CAAC and CGCA. The application has been revised to mitigate some of your concerns raised. Please see attached drawing and revert back if your objections still holds or you want to withdraw.

I will appreciate a prompt response.
