Your comments on the planning application

Following the current works ongoing to 74 Chancery Lane serious consideration needs to be given to the noise pollution we hear here in Dutch House. Already we have had plaster fall off the walls whilst drilling has been taking place and on many occasions have had to leave the office in order to make a phone call. Noisy works need to be agreed in advance so we can plan and there needs to be a continuation of a timed slot to do such work. This is currently 2 hours on and 2 hours off.
Thank you
