Notes

Hatch denotes the existing historic building fabric. Any works carried out to modify or make good must be done in a careful and workmanlike manner causing as little impact upon the historic fabric as required for the purposes of the work.

2-6 Southampton Row is Grade 2* listed building and is protected under Historic Building Legislation.

Orthogonal column grid provided for whole building has different setting out points for west and east sides. See 586 BWOOW and 586 BWOOE for two setting out points. However, all measurements from existing fabric will require site checking, with any anomalies notified to the architect.

Drawing created from Survey Information received from Capital Surveys Ltd, reference 87941 series, dated 28/11/01, any discrepancies to be brought to the attention of the architect.
