Hi Roman,

Your approval of details application regarding condition no. 4 has addressed most of the items specified in the condition. However, the condition also requires information regarding the following items:

Telecommunications equipment, alarm boxes, pipes, meter boxes, flues, TV aerials, satellite dishes, and other plant and equipment.

Could you send me any additional drawings regarding these items.

Alternatively, please confirm by email that none of these items are proposed.

When you provide the outstanding information, the condition can be discharged.

Regards,
