Your comments on the planning application

I am the owners father and manage the property on his behalf. I hold Power of Attorney
I am of the opinion that the proposed rear extension to no.149, i.e planned wall would take away /block the light
I also feel that extended rear terrace would overlook the garden and reduce or take away privacy
There is also the question of security. would overlook our window on the first floor and make it easier for a possible break in
