Dear Mr McClue

As a local journalist who uses the great Andrews Café I would like to see this local institution preserved. It looks as though the redevelopment could threaten that.

It is an incredibly successful establishment that serves all sorts of people from all professions from local cab drivers to QCS.

If the area is to be developed it would be of benefit to all if the Café was allowed to survive - its presence adds a vital authentic colour to the area quickly being overtaken by chain coffee shops.
