Dear Tessa Craig

Ref: Planning Application 2015/6824/P
@ 48 Percy Buildings, Whitfield St London W1T 2RL

Thank you for your letter of 19 January 2016.

I live in Flat 4 at 4th floor level, 13 Tottenham Street which is partly adjacent to 48 Percy Buildings on its Northern boundary. (I am also co/chair on the Maxcliff House and 13 Tottenham Street Residents Association)

Regarding the application, I note on the Whitfield Street Elevation that new work to the chimney will entail "construction in brick with clay chimney pots, all to match existing".

Can I confirm that the bricks proposed will be "London Stocks" or similar to match the existing bricks to the rear of 48 Percy Buildings?

Thank you.

David Lebon.
