Your comments on the planning application

This is an application to destroy well established and mature hardwood trees which provide an important amenity value for the road offering shade and softening the hard line of the buildings in front of which they stand.

The area is a conservation area and the retention of established trees is an important feature of the character and feeling of the residential environment.

The value of the existence of these to the neighborhood was considered and confirmed when TPO was granted and nothing has changed to alter the case for their continued
