

Dear sir or madam,

while ago about 3 weeks I received a letter from you for my opinion about some planning permission for the address European hotel

11-15 Argyle square , Kings cross WC1H8AS & by mistake I commented by refusal as I thought mistakenly it is the next door hotel but it is

in fact too fare about 4 blocks from me and it won't affect my business at all.

so I would agree about Mr Di Popolo planning permission of the above mentioned address and I am happy for him to carry his work as it won't effect on me.
