Dear Sir

1-3 Flask Walk

Further to discussions with your department and the enforcement notice now subject of appeal I attach a planning application for a replacement rear roof form at the back of no 3 Flask Walk which I hope will be acceptable to you.

The application envisages the removal of the unauthorized single pitch structure and re-covering the previous roof slope with natural welsh slate and enclosing the small open balcony area with a lead clad structure which will drain towards no 1 Flask Walk

I hope this proposal will prove acceptable and look forward to hearing from you

Yours faithfully
