12 February 2016

Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Householder Application Granted

Address:
69 Dartmouth Park Road
London
NW5 1SL

Proposal:
Erection of a single storey rear extension, enlargement of existing side dormer and associated alterations.

Drawing Nos: 1503DART_1000; -1009; -1010; -1011; -1012; -1021; -1023A; -1024; -1034; -1099B; -1100B; -1101; -1102; -1210; -1230C; -1240A; -1340; & D&A Statement rev B.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policies DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: 1503DART_1000; -1009; -1010; -1011; -1012; -1021; -1023A; -1024; -1034; -1099B; -1100B; -1101; -1102; -1210; -1230C; -1240A; -1340; & D&A Statement rev B.

Reason: For the avoidance of doubt and in the interest of proper planning.

- 4 The hereby approved flat roof shall not be used as an amenity roof terrace unless otherwise approved in writing by the local planning authority.

Reason: In order to prevent unreasonable overlooking of neighbouring premises in accordance with the requirements of policy CS5 of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 of the London Borough of Camden Local Development Framework Development Policies.

- 5 Prior to the commencement of development, a plan showing details of the green roof (including species, planting density, substrate and a section at scale 1:20 showing that adequate depth is available in terms of the construction and long term viability of the green roof) and a programme for a scheme of maintenance shall be submitted to and approved in writing by the local planning authority. The green roof shall be fully provided in accordance with the approved details prior to first occupation and thereafter retained and maintained in accordance with the approved scheme of maintenance.

Reason: To ensure that the green roof is suitably designed and maintained in accordance with the requirements of policies CS13, CS14, CS15 and CS16 of the London Borough of Camden Local Development Framework Core Strategy and policies DP22, DP23, DP24 and DP32 of the London Borough of Camden Local Development Framework Development Policies.

Informative(s):

- 1 Reasons for granting permission.

The proposed extension and associated alterations are subordinate in scale to the host building and of an acceptable design by virtue of their size and materials, which would preserve the character and appearance of the building and the surrounding conservation area. Due to their size and location, they would not result

in harm to the amenity of any adjoining residential occupiers in terms of loss of outlook, light or privacy, provided the flat roof of the extension is not used as a roof terrace. The proposed green roof is welcomed as it will enhance biodiversity of the area.

Whilst the development will have some impact in terms of incorporating a full width extension to the building, this extension is located at the rear at lower ground floor level and, given previous approvals it is not considered harmful to the character or appearance of the host building or this part of the Dartmouth Park Conservation Area due to its limited visibility.

Two objections have been received and duly taken into consideration. The site's planning history and relevant appeal decisions were taken into account when coming to this decision.

The proposal is considered to preserve the character of the conservation area. Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24, DP25 & DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4, 7.6 and 7.8 of the London Plan March 2015, consolidated with alterations since 2011; and paragraphs 14, 17, 56-66 and 126 - 141 of the National Planning Policy Framework.

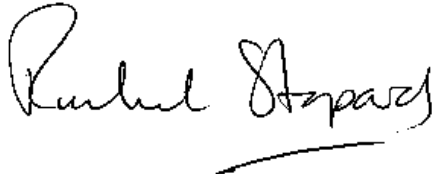

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

You can find advice about your rights of appeal at:
