08 February 2016

Dear Mr Whittingham

**TOWN & COUNTRY PLANNING ACT 1990 (AS AMENDED)  
NATIONAL PLANNING POLICY FRAMEWORK 2012**

**15 John Street, London WC1N 2EB**

*Extension to rear, and alternations to Grade II Listed Building.*

**Recommend No Archaeological Requirement**

Thank you for your consultation dated 19 January 2016.

The Greater London Archaeological Advisory Service (GLAAS) provides archaeological advice to boroughs in accordance with the National Planning Policy Framework and GLAAS Charter.

Having considered the proposals with reference to information held in the Greater London Historic Environment Record and/or made available in connection with this application, I conclude that the proposal is unlikely to have a significant effect on heritage assets of archaeological interest.

The site does not lie within an archaeological priority area and the proposed works are too small scale to result in an archaeological impact.

No further assessment or conditions are therefore necessary.

Please note that Historic ENgland operates an access to information policy.

Correspondence or information which you send us may therefore become publicly available

Please note that this response relates solely to archaeological considerations. If necessary my Historic Buildings and Areas colleagues should be consulted separately regarding statutory matters.

Yours sincerely

Laura O'Gorman

Archaeology Advisor

Greater London Archaeological Advisory Service
