2015/7172/P	A.Bautier	78 Compayne Gardens Flat 5	10/02/2016 22:59:19	COMMNT	<p>As a tenant in the neighbouring building (address indicated below) my concern would be that the southern side wrap around extension would bring the building a lot closer to our side window and potentially obstruct view. In addition as there is an obscured window to be installed in the bathroom, it is not clear as to whether this would be directly opposite the side window of our flat.</p> <p>It is stated within section 4.33 of the planning statement that there should be no impact on neighbouring buildings but the two points above remain unclear to me. I would simply request clarification on this.</p> <p>For information purposes I would like to be informed of the committee date.</p> <p>Thank you</p>
