Dear Sir/Madam

**THE TOWN AND COUNTRY PLANNING (TREE PRESERVATION) (ENGLAND)  
REGULATIONS 2012, SI No. 605  
APPLICATION FOR CONSENT TO CARRY OUT WORKS TO PROTECTED TREES  
APPELLANT: LMA London Ltd  
SITE AT: 38 Belsize Park Gardens, London, NW3 4NA**

I enclose a copy of our Inspector's decision on the above appeal.

The appeal decision is final unless it is quashed following a successful challenge in the High Court on a point of law (see enclosed leaflet). If the challenge is successful the decision may be quashed but the case will probably be returned to the Secretary of State for re-determination. However, if it is to be re-determined, it does not necessarily follow that the original decision on the appeal will be reversed.

An application under Section 288 of the Town & Country Planning Act 1990 must be made to the High Court promptly and in any event within 6 weeks of the decision in question. This is an absolute time limit that cannot be extended by the Court.

A challenge must be made on one or both of the following grounds:

- (1) the decision is not within the powers of the above-cited Regulations;
- (2) any of the relevant statutory requirements have not been complied with.

A decision will not be overturned by the Court merely because someone does not agree with an Inspector's judgment. It would need to be shown that a serious mistake was made by the Inspector when reaching his or her decision or, that the site visit was not handled correctly, or that the appeal procedures were not carried out properly. Even if a mistake has been made, the Court may decide not to quash the decision if it is decided that the interests of the person who has sought to challenge the decision have not been prejudiced.

If you have any complaints or questions about a decision, or about the way we have handled the appeal write to:
