Dear Jenna

Application for full planning permission: Refurbishment and extension to enable a change of use from health care (Class D1) to a mixed use development comprising 1,976.48 sq m residential (Class C3) and 5,487.04 sq m office floorspace (Class B1) including a new build to the rear.

We write to you on behalf of University College London Hospitals Charity with an application for full planning permission for the redevelopment of Arthur Stanley House. The application comprises the following:

- Completed application form, ownership certificate and CIL additional information form;
- Planning Statement;
- Affordable Housing Statement (*within the Planning Statement*);
- Design and Access Statement;
- Heritage Statement;
- London View Management Framework Assessment (*within Design and Access Statement*);
- Air Quality Assessment;
- Contaminated Land Assessment;
- Preliminary Ecology Appraisal;
- Noise Assessment;
- Sustainability Statement (including Energy and Construction);
- Waste Strategy (*within Design and Access Statement*);
- Code of Construction Practice;
- Transport Assessment;
- Travel Plan;
- Daylight and Sunlight Assessment;
- Floorspace schedule;
- Drawings; and
- Statement of Community Involvement.

The content of the application is as agreed with you. One copy of each document has been submitted by CD and enclosed with this letter, as agreed with the validation team. We look forward to receiving confirmation that the planning application has been registered.

Yours sincerely,

Rachel Lambert
Consultant
