Subject: 2015/4993/P objection

Mr McClue,

I am the owner of 10A Iverson Road London NW62HE and would like to object to a planning request as noted above. The Brondes Age is a local Bar and adding a roof deck for 100 guests backing on to a residential area will substantially change the environment which we live.

Please note my objection for the planning request.

Kind regards,
Debbie Plaku
