Dear Sirs,

Extension and alterations to the ground floor apartment at 7 Kidderpore Avenue

Price & Myers consulting engineers were appointed in July 2014 to provide structural engineering consultancy services associated with the above project. Our appointment has continued post planning and we will remain involved during the construction process.

Please note that our remit is for the design of the permanent structural works only and does not include the design of below ground drainage or temporary support works.

Yours faithfully,
for Price & Myers
