2015/5583/P	Stephan Jain	14 camden mews london NW1 9DA	15/02/2016 18:12:24	COMMNT	This revised plan still would change the character of this part of camden Mews. The building line is brought forward. The appearance of the house would not be in keeping with this part of the street. It would reduce the amount of light to neighbours including ourselves. It would look like a crowded site because the plan attempts to put too much accomodation into a very small footprint. It would look wrong and as a near neighbour I strongly object to this plan.
