2016/0218/P	John Ker	Wentworth 23 Rosecroft Avenue Hampstead London NW3 7QA	15/02/2016 16:55:54	OBJNOT	Dear Sir, Further to my telephone conversation with Mr. Raymond Yeung, Planning Officer, London Borough of Camden at 13:00 hours today I confirm that as owner of 23, Rosecroft Avenue (the detached house next door to the north) I am opposed to this proposed extension to 21, Rosecroft Avenue since it will greatly reduce the daylight in the ball room (basement level in my house, but below floor level in 21) my lounge (ground floor level in my house but basement level to 21 and the main bedroom, first floor level in my house, but ground floor level to 21, Because of the fact that 21, Rosecroft Avenue is built up the hill from my house results in a much more significant effect on daylight than if it were at the same base level. I would like to speak at the planning meeting. Yours, John Ker.
