Dear Kate Phillips

Planning Application 2015/7282/12

I object to this application to change use from A1 to A3/A1 mixed. Kentish Town Road is a good shopping street and we should keep up the amount of A1. Also there are very many restaurants and coffee shops already. We need more A1 shops to keep people visiting.

Thank you for receiving my objection. I have asked a customer to e-mail it to you.
