When the studio now known as 44 Murray Mews was built we raised no objection as this was only one storey, We think at the time this was to be used as a studio for 1 Canteloves Road. To extend 2.7m above the current height and go down into the basement, creating a town house we find excessive and will impact on the light in our garden and enable owners to look directly into and be imposing on 1, 2 & 3 Canteloves Road. This is supposed to be a conservation area, we wish our objection to be noted.<br><br>David & Susan Taylor |
