2015/7220/P	Anthony Laroche	Flat 29 Knollys House 39 Tavistock Place WC1H 9SA	18/02/2016 19:23:58	COMMNT	Hi I am strongly opposed to this project due to health risks - these antennae are a potential cancer risk, especially for the young - these antennae are a potential eye sore - these antennae are out of keeping with our Bloomsbury Conversation Area - a number of other areas have also refused these antennae
