2015/7223/P	Michael Pountney for the Rugby & Harpur Residents Association	15 Rokeby House	18/02/2016 12:27:18	COMMEM AIL	The RHRA is always sensitive about planning applications in our area, and particularly those for listed buildings. We often find that the detail given about listed building in the applications is insufficient for us to make a firm assessment. With this application, however, the detail is full and the plans seem fully sensitive to the needs of a II* building. We are assuming that the Tallis street illustrations will be the main source-book for restoration details.
