

The Heath & Hampstead Society

P.O. BOX 38214 LONDON NW3 1XD

The Society examines all Planning Applications relating to Hampstead, and assesses them for their impact on conservation and on the local environment.

To London Borough of Camden, Development Control Team

Planning Ref: 2016/0204/P

Address: 7a Langland Gardens, NW3

Description: Extension.

Case Officer: John Diver

Date 18 February 2016

This is a minor proposal, but even so, is so poorly presented that it is impossible to assess properly. The drawings are inadequate, not only in content and detail, but also without any relationship to context. Adjoining buildings are not drawn, and No 7 itself only partly depicted. The Design/Access Statement is perfunctory, and does not address design issues.

This is not good enough in our Conservation Area.
