<i>Your comments on the planning application</i>	<p>This is an addition to my comments sent directly to Gavin Sexton on 13th January 2016, as the precise meaning of the point raised below has just become clear to me:</p> <p>The development description includes the "INSTALLATION OF OBSCURE GLAZED BALUSTRADE" on the planned roof extension of no. 13, creating an upper floor terrace.</p> <p>Such an "OBSCURE GLAZED BALUSTRADE" is totally unacceptable, as it would block direct sunlight from reaching our own legal roof terrace. The high wall of dark, tinted glass envisaged would only allow through some weak, brownish light, which would wither our carefully tended terrace plants. Our terrace, on which we sit at a small garden table during summer, is our pride and joy and a key amenity for us.</p>
