DO NOT SCALE OFF THIS DRAWING

1. GENERAL:
   - 1.1. All drawings are to be read in conjunction with "INGealtoir" standard specification. We draw the Contractors particular attention to section 4 of the specification with regards to temporary works design.
   - 1.2. All setting out details / dimensions are to be provided by the Architect unless already noted on INGealtoir drawings.
   - 1.3. All waterproofing / tanking / insulation / finishes etc. are by others.
   - 1.4. All dimensions in millimeters unless stated otherwise.
