2016/0060/P	Robert Leeming	14 Eton Road	23/02/2016 15:51:34	COMMEM AIL	Dear Sir/Madam,  I have sent some questions to the architects directly. I only wanted to clarify the perspective from 14 Eton Road in terms of view (there are only elevations from the North that I can see) and whether there were any party wall issues required between 14 Eton and 2 Fellows Road which we need to follow up on. If you could let me know, that would be much appreciated, Regards, Robert
