2016/0451/P	Keith Price	34 Cressy Road London NW3 2LY	22/02/2016 11:15:04	OBJ	We strongly object to the construction of a roof terrace as this will impact significantly on our privacy. A roof terrace will allow the residents of No. 31 Mackeson to see directly into both our rear bedrooms on the top floor of our house. Also, anyone on the proposed roof terrace will be able to look down directly onto the terrace at the rear of our property where we entertain and eat outside in the summer, weather permitting. Accordingly, we urge the Planning Department to review the planning application that has been made to ensure that any development at No. 31 Mackeson Road will not impact on the privacy we have enjoyed for the past 30 years.
