2016/0652/P	Martin Hayman	18 Birchington Road NW6 4LJ	25/02/2016 14:27:15	COMMNT	Timber decking is not sanctioned by original planning application (2014/5696/P) and appears to have been built in the full knowledge of this fact. Owner's intention is plainly to attract passing custom from Kilburn High Road by providing an outdoor area for smoking and drinking. This is entirely out of character with Birchington Road, which is a quiet residential street, not an extension of the High Road. Planning committee should stick to its original determination and ensure that all Class A3 usage is indoors. The application is without merit and should be refused.
