2016/0653/A	Martin Hayman	18 Birchington Road NW6 4LJ	25/02/2016 14:19:44	OBJ	The signage is a gross contravention of the original permission (2014/5696/P) and is entirely out of character with the street. Birchington Road is a residential street and must not be subsumed into the Kilburn High Road—it's obvious that the sign is intended to attract passing custom. Planning committee should stick to its original finding and now require owner to remove the signage.
