***Application Ref: 2012/6132/P, Planning Condition 7
Parker House, 25 Parker Street WC2B 5PA, London***

The following has been prepared with a view of satisfying and discharging Planning Condition 7.

Who we are:

AKT II is a design-led Structural and Civil Engineering firm which operates from its office headquarters in Central London.

Founded by Robin Adams, Hanif Kara, Albert Williamson-Taylor, Gerry O'Brien and Paul Scott. With current and complete projects in 44 countries worldwide.

Our experience is extensive, covering the commercial, residential, retail, leisure, educational, health and transportation sectors of the market. Projects range from large new build developments to complicated refurbishments of listed buildings, with contract values ranging from £ 100,000 to over £750 million.

We have a reputation for innovative and high quality design. Since formation in 1995, our projects have won over 300 design awards including the prestigious Stirling Prize for Peckham Library, designed with Will Alsop, and for the Sainsbury Laboratory, designed with Stanton Williams. We have also received many Structural Steel Design and Concrete Society Awards, countless Civic Trust Awards, BREEAM Award, BCO Award, BCI Award, RIBA Award, Building's Housing Project of the Year, and the Building Award for the Most Sustainable Building of the Year.

Parker House Development

AKT II have been appointed by Parker House No. 1 Ltd as Consulting Structural and Civil Engineers for the proposed development. This appointment includes the Resident Engineer (RE) Services detailed on the attached RE Schedule of Services which have been agreed with our Client in order to satisfy the requirements of Condition 7 of planning permission ref. 2012/6132/P. These services are to be carried out through the duration of the substructure works from the start of basement enabling works to completion of the basement construction works, which are to be carried out in compliance with the design which has been checked and approved by Building Control.

A full time Resident Engineer will be provided who will be overseen by Mr Wah Szeto who is a Chartered Member of the IStructE and a long standing member of AKT II. His CV is attached.

Yours sincerely,
AKT II
