Dear Lenab

As the oldest member of Canada Lane  
Methodist Church in Plender Street, both in  
age + membership, I would ask you + your committee  
to allow the church to be refurbished, so that  
it can continue to be a place of faith +  
community for several years to come.

I'm so looking forward to seeing a different  
church, although the frontage will always remind  
me of the original, it will be nice to go in to  
without having to climb the stairs.

Yours Sincerely
