Your comments on the planning application

I object to this application for the reason that last time work was done at this property I was misrepresented to by the applicant. they installed a fence and insisted on a party wall agreement then disregarded all of our conversations. they never established the ownership of the old fence between our properties and just left it and put their new fence inside that so now I have to deal with their old broken fence in my property. additionally they took parts of the fence apart and made repairs that weren't consistent with the original fence. I believe the way the fence is installed it is theirs not mine and now I am stuck dealing with it.
