2015/5452/P	Walter Ladwig	27 Howitt Rd Flat 3 NW3 4LT	29/02/2016 18:34:41	OBJ	With the recent (and still ongoing) basement projects/home refurbishments at 25 and 23 Howitt Road, the residents of 27 Howitt Road have been living in a construction site for the better part of the past two years. We pay an exorbitant amount to live in Belsize Park and thousands in council tax, yet we have had to suffer through skips in the streets, dirty sidewalks, and cowboy builders who make noise beyond the legal hours on weekends. Enough is enough. This has to stop now. We cannot be expected to continually pay the social costs of others' vanity projects without some form of material compensation.
