Applications No.s: PEX0201112.& LEX0201113

Dear Ms McLeod,

**re: 16 Gloucester Crescent, London N.W.1**

Further to my telephone conversation earlier this week with Tina Garratt, I now enclose ten sets of revised drawings Nos. 280/12D, /13C, /17E & /20.

These revised drawings incorporate all the amendments discussed with Tina Garratt earlier this week, namely: replacing horizontal glazing bars with a vertical glazing bar to, removing the external rendering at lower ground floor level, providing a brick parapet to the rear of the new flat roof, reducing the size of the lantern rooflight and simplifying the style of the metal balustrading. As requested, a detailed drawing No. 280/20 showing the section through a typical external glazing bar etc is also enclosed, unchanged from the drawing sent to you with my letter on 5.3.03.

I trust that the current planning application now be put forward for approval.

Please do not hesitate to contact me if you require any further information.

Yours faithfully,
