2016/0324/P	Aleksandar Andrejevic	15b Hampstead Lane N64RT	02/03/2016 14:30:31	OBJ	The proposed extension will block the light coming to my balcony and leaving room for the good part of the day. Explanation given that my balcony is overlooking neighbours leaving room is not quite correct and in any way can be resolved by blinds on the window instead of building substantial extension.
