2016/0652/P	Andrea Lewis, company director Jumanji Pets Limited	44 Brichinton Road London NW6 4LJ	03/03/2016 14:00:40	COMMNT	They have already erected the timber decking and we are concerned about the enclosure being built as we are the shop next door Jumanji Pets, 44 Birchington. This already has caused us some loss of sales, as at present it stops customers seeing our shop from kilburn high road, but if they were to put up anything more, this would have a severe detrimental affect on our business and earnings
