

NOTES:

- Contractor will share toilets with building users and treat them as such, regularly cleaning.
- Partition/hoarding will be fire rated and positioned as tight to the existing corridor wall as possible.
- A skip will not be permissible. Contractor will be allowed to remove waste via the main lifts down to the basement and out of the rear doors. Waste is to be removed on a daily basis and should be undertaken first thing in the morning and removed via wait and load so as not to impact on the running of the building. Floors and lifts will need to be protected and wheelie bins used to move demo materials.
- Contractor to allow for suitable site staff to ensure that doors at the rear of the building do not remain open and unmanned during this procedure.
- Contractor responsible for cleaning down the lift and WCs.
- Noise issues. There will be users within the building therefore consideration is required and UCL Estates are to be notified of any specific noisy works
- Welfare space. Contractor will have use of welfare building on Gordon Street.
