2015/7079/P	Patrick Williams	Archway House 21,Clapham Common Northside LONDON SW4 0RQ	04/03/2016 11:10:39	OBJEMPER	Dear Mr Tulloch  I have to add a correction to my comments forwarded yesterday : paragraph 2, with reference to the New application ,2015/7079, should be viewed as a tactic to render all objections made to Application 2015/2089 NULL AND VOID, and that tactic deserved to fall at the first hurdle.  If this correction might be posted along with my other comments, I would be grateful.  With apologies for such a simple error : I typed this submission within the small box provided by your comment box, not making use of the 32000 characters allowed.  Yours sincerely, Patrick Williams
