Your comments on the planning application

Please register my strong objection to the proposed development at Rosslyn Hill which will have a detrimental effect on the work of Air Studios at Lyndhurst Hall. As a film composer I have worked regularly at this recording studio, and I am aware of the amount of work which it brings to this country both in terms of direct and indirect employment. To threaten this for the sake of a residential expansion strikes me as very foolish in terms of economic and artistic activity in the area.

Sincerely
