Your comments on the planning application

I strongly object to this application. Based upon the specialist advice offered by Michael Eldred and Dr Michael de Freitas, it is clear that the applicant has not shown how the work would avoid structural damage to other properties, or be acoustically insulated. The application is lacking sufficient details and drawings and lacks a satisfactory Construction Plan. There would be great disruption, dirt, noise and traffic problems for neighbours. It is highly risky: these terraces are built on a slope and there is a risk that any basement construction could lead to ground instability and/or flooding. This basement is unnecessary and highly
