Dear Kate Phillips,

Am writing
to protest most strongly against
proposed work to: -

92 Southampton Row

Application Ref 2015/4269/P

Already my light has been
partially blocked by the latest
additions to the hotel and I
think that any building works
would constitute unacceptable
level of noise. The creation of
25 additional guest rooms would
further reduce my quality of life.

Yours faithfully
Esme Marshall
