<i>My enquiry is</i>	<p>Planning application 2015/7269/P: I live at 1 Bristol House, 80a Southampton Row, WC1B 4BA. I heard through a neighbour that there was a major planning application from the Hilton Doubletree Hotel next door to demolish part of the building and rebuild it higher. Only because of the neighbour was I able to object to the development.</p> <p>I was not notified of the application by the Council even though my flat is directly affected by the development. I am always notified of planning applications for putting chairs on the pavement, for instance. I presume that not notifying parties who are potentially affected by an application renders the application null and void. I am not the only neighbour not to have been notified and denied the opportunity to comment on it. In light of this I trust that you will now delay the hearing of the application and require the proper notification of all affected parties prior to any hearing.</p>
