2016/0849/P	Pavel	26 New End Square	09/03/2016 21:50:14	COMMNT	What is going to happen with the trees next to the garages? This area is quickly losing the greenery. Two trees next to Flask Walk Cottages were killed not so long ago. More trees are going to be destroyed at the New End nursing home demolition. Now more trees are at risk due to this project. Please think about the environment, leave the trees alive!
