Your comments on the planning application

My strong objections to this planning application are that the proposed work will have an incalculable impact upon the work and livelihood of many people. Air Studios is a major hub of cultural and commercial activity in this country and it should not be allowed to be affected by the proposal under consideration here. Furthermore, that it is unreasonable to treat the original objections as not applying to the second application. Therefore the first application should be rejected and the original objections stand for the first and second applications.
