Your comments on the planning application

I am a professional musician who relies on the income received working at Air Studios. If the proposed work is permitted the studio cannot function and this will have a huge and devastating impact on me, my family and the lives of hundreds of other session musicians who rely heavily on work that is conducted at this studio. There is nowhere else to go. This studio attracts the world's top recording artists and film companies and they will simply go elsewhere so please please reject the application.
